General Information

Our Mission is to provide the highest quality of structured care to the youth through a variety of creative and cultural programs and services that teach accountability and provide protection to the community.

Our Vision is to further the development of positive social skills for the youth and the families that we serve and to advance the overall safety of the community in which we live

Operations

The Sault Tribe Youth Facility is a 25-bed facility that provides secure custody of native and non-native youth ages 11-17 pending further Court action.

The staff consists of 12 federally certified Detention Officers, 2 cooks, 2 maintenance technicians and 1 Facility Administrator.

Education is a key component and is provided by the St. Ignace Area Public School System daily.

Our on site counselors provide daily group counseling sessions, which addresses many mental health and substance abuse needs.

The facility is licensed by the State of Michigan and federally certified through the Bureau of Indian Affairs.
