Re: COVID-19 Mask Mandate

Dear Fellow Team Members,

The epidemiological situation in the 7 County service area continues to deteriorate. Due to the increased COVID-19 threat and following The Board of Directors' Resolution 2020-261, I mandate that effective 08:00 AM on Monday, September 13, 2021, all visitors, customers, clients, and contractors shall be required to wear surgical or cloth masks in all indoor public spaces on all Tribal Lands, regardless of their COVID-19 vaccination status.

This Mandate does not alter or otherwise amend existing Team Member mask requirements. This Mandate shall remain in effect until otherwise suspended or revoked.
