

Sault Ste. Marie Tribe of Chippewa Indians COVID-19 Vaccine Update  
March 30, 2021

### **Sign Up for an April Vaccination Clinic**

#### VACCINATION STATUS

The Health Division administered 470 doses of the COVID-19 vaccine last week. Since Dec. 17, 2020, the Health Division administered 9,498 doses.

#### UPDATE

“After few relatively calm weeks we are once again experiencing the growth of new COVID-19 illnesses in the seven-county service area,” Sault Tribe Health Director Leo Chugunov said. “It appears at the moment the most noticeable spike is in Chippewa County. It is important to stay vigilant, continue to wear masks, maintain social distancing and avoid crowds. I also would like to encourage you and your loved ones to get the COVID-19 vaccine (unless you already received it).”

#### COVID-19 VACCINATION ONLINE REGISTRATION

Please use the Sault Tribe Health Division’s online COVID-19 Vaccination Registration Form available at [www.saulttribehealth.com](http://www.saulttribehealth.com), which can be accessed via cellphone, tablet or computer. The purpose of this form is to allow Sault Tribe members and Sault Tribe team members to register their contact information so they can be scheduled for an appointment once the vaccine becomes available.

If you need assistance completing the form or have no access to the Internet, please contact our COVID-19 line at (906) 632-5200 Option #9 (Monday-Friday, 8 a.m. to 5 p.m.). Please watch [saulttribehealth.com](http://saulttribehealth.com) or Sault Tribe Health Division’s Facebook page for more information about our COVID-19 vaccination services.

#### VACCINATION VISIT

All patients are asked to bring their Sault Tribe membership card to their scheduled COVID-19 vaccination appointment. Patients coming for their second dose should bring their CDC vaccination card provided at the first appointment. All vaccinations are provided by appointment only.
