

2026 Annual Inland Harvest Report
Natural Resources Division
Gidayaangwaami'idimin Ezhi-inawendiyang
Sault Ste. Marie Tribe of Chippewa Indians

Please take time to fill out the following harvest report as accurately and completely as possible. Accurate completion of harvest reports is important for harvest management decisions. This harvest report can also be obtained at www.saulttribe.com.

If you have questions, please feel free to contact the Reporting and Permitting Specialist with the Natural Resources Division at (906) 632-5040.

Please return to: **Harvest Report, Natural Resources Division, 199 W. 3 Mile Rd, Sault Ste. Marie, MI 49783.**

This inland harvest report is due on **February 1, 2027**. This report is mandatory and must be received before you are issued any permits pursuant to Chapter 21 or Chapter 23 for 2027. Please note, this report is only for harvest that takes place on **inland lands, lakes, and rivers**. Permits for the Great Lakes (including the St. Marys River, Munuscong Bay, the Bays de Noc and Lake George) are pursuant to Chapter 20 which have separate reporting requirements.

Members who harvest salmon, trout, walleye, northern pike or muskellunge using a spear, bow, crossbow, impound net, seine, hands, trotline, or dip net must obtain and submit a restricted harvest report within 7 days of harvest. This report is available at www.saulttribe.com.
