

**Sault Tribe Chairperson Aaron Payment asks for your help:**

## **Please Support Medicaid Expansion**

Dear Tribal Members,

Today I ask you to contact your local State Senator to show support for the Senate version of HB 4714 which proposes to incorporate the Medicaid expansion included in the federal Affordable Care Act into Michigan's Medicaid Program.

This is one of the most bipartisan efforts on a major issue that was passed last week in the Michigan House of Representatives and would expand Medicaid eligibility to over 400,000 people in Michigan.

The State Senate is expected to leave for break beginning June 20. With your help in contacting your local Senator, we will be able to get this vital legislation signed into law before the break.

The vote is scheduled for tomorrow, June 19, and is very close. Please call now.

Please call your senators and tell them you support Medicaid expansion. You can find your senator by clicking this link:
